Part 2: Inspiration: Color Schemes & Shapes

Answer these questions as thoroughly as possible to demonstrate reading comprehension and creative process as you complete Part 2 of the Pattern Design project. Print and hand in with your AI file on your thumbdrive on Tuesday, 9/12.

For Step 3:

- *Are the shapes organic or geometric? Are they inspired by anything? Explain.*
- *Also, which Illustrator tools did you use the most to draw your shapes? Are there shapes you would like to make that you have not been able to draw in Illustrator? Could you draw them freehand here?*

For Step 4:

- *Why do you think these colors will work well or be meaningful in a pattern design?*

Over for more...

For Step 5:

- *What tools did you use most to develop your color schemes? What does each separate scheme represent for you? Explain.*

For Step 6:

- *Does assigning color change the way you perceive or think about the shape?*
